HAWKER HEADLINES

4 NOVEMBER 2026

FROM MS RANDELL

Swimming lessons are well underway, with this week marking the final week of the program. Students have settled into their lessons and are making the most of the opportunity to develop their swimming skills, build confidence and improve their water safety knowledge.

Our **Interschool Sports Carnival** was held on Friday 23 October, with students enjoying the opportunity to represent Hawker Park and compete against other schools. It was wonderful to see students demonstrating excellent sportsmanship, encouraging one another and showing respect towards their competitors throughout the day. Well done to everyone involved!

Make a Move will continue next week following the conclusion of swimming lessons. Students are busy practising and refining their dance routines in preparation for their performance at our end-of-year Christmas Concert. We look forward to seeing their hard work come together on the day!

The **Principal's Reading Challenge** is continuing, with lots of enthusiastic readers working towards their reading goals. It has been wonderful to see so many students earning icy poles in recognition of their reading efforts. Keep up the great work!

As we begin planning for **2027**, we ask families to please let us know if your child will not be returning to Hawker Park next year, or if you are aware of any new families who may be looking to enrol. This information is extremely helpful as we begin planning our enrolments, staffing and class structures for the coming year. Thank you for your support and assistance.

Thank you to all our families for your continued support and involvement in school life. As we move towards the end of another busy year, we look forward to sharing the many wonderful learning experiences and celebrations still to come. We hope everyone has a lovely week ahead!

DID YOU KNOW?

- The Hawker Hub is not for students to use the toilets out of school hours. Students may only use the Hawker Hub if accompanied by a staff member.

- It is important to regularly check the Compass app for communications from Admin. All consents will be sent by Compass. Parents that do not submit consents in a timely manner are often holding up processes for the school.

SCHOOL PROCESSES

This term we will start planning for next year with the Department of Education requesting anticipated enrolment numbers.

If you know you are leaving the school for 2027 or you know anyone coming, please contact the school on 9422 2000.

The above does not apply to the current year 6 students or Kindergarten students already enrolled for 2027.

Gifted and Talented Secondary Selective Entrance programs

If your child is entering Year 7, 9, 10 or 11 in 2028, applications for Gifted and Talented Secondary Selective Entrance programs are now open.

These exceptional academic, arts and languages programs are available at select public secondary schools. This includes a fully selective academic school and an arts college.

Your child will learn alongside like-minded peers and follow an extended curriculum designed specifically for their needs, delivered by teachers with expert skills and knowledge.

Information about the programs, study options for metro and regional students, and upcoming parent information evenings can be found at the website www.education.wa.edu.au/gifted-and-talented.

Applications close 6 pm Friday 5 February 2027. Late applications are not accepted.

2027 Booklists Live - Order Now

Dear Parents & Carers

Campion is our school supplier for print, stationery and digital resources.
Your class resource list is now open and ready to order.

Order Online - Click Here

Your unique resource code: 3326
Your order-by date: 13th December 2026

Please place your order before the order-by date above to ensure your resources are fulfilled and available for use from the first day of school.

How to order
The Campion Parent Hub also includes a How to Order video and How to Order PDFs in 11 languages: https://campion.com.au/campion-for-parents-students/how-to-order/

Community Help Needed - Tree Stump Grinding

Our school is looking for a local business or community member who may be able to help us with stump grinding an old tree stump in our outdoor K/PP area.

If you have the equipment, expertise or would be willing to donate your time or services, we would love to hear from you!

Any support from our school community would be greatly appreciated.

Please contact the school office if you are able to help.

Thank you!

Mrs Codi Jeffries

https://square.link/u/lyarOskK

Pre-order of sausage rolls - https://square.link/u/mzPvjVhG

If you have queries, please contact hawkerparkpandc@outlook.com.

Colour run – date and time to be confirmed.

Upcoming P&C meetings

24th November 6pm

Have any questions, or suggestions on which events the P&C could run? Or questions, and ideas on what we can invest in? Get in touch: hawkerparkpandc@outlook.com.

Or do you think you might have a little time to get more engaged in 2027?
We are always open to one-off volunteers or additional P&C members.
It's a great way to meet new people and get more involved in our school community.

COMMUNITY NOTICEBOARD

Program Overview

The i-League is a club-based program delivered by Football Futures Foundation in partnership with local football clubs across Perth metro, as well as regional and remote communities.

Football Futures Foundation works closely with each participating club to embed the program within the club structure, meaning players register as official club members, wear their club uniforms, train regularly with their team, and play weekend matches against other participating clubs throughout the soccer season. I.

The i-League provides a supported, inclusive environment where children can build confidence, skills and a sense of belonging within a community club setting. From the i-League, participants can transition into Equal Footingball, Football Futures Foundation's club-based program for players aged 13+ through to adults. Equal Footingball offers four divisions based on skill level and support needs, ensuring a clear and inclusive pathway for players to continue participating in football long-term.

★★★★★

5 OUT OF 5

Overall rating of Football Futures soccer sessions

95%

Are likely to recommend Football Futures programs

> I was very impressed with how professionally the morning was run. The coach learning all the kids names and inspiring them to learn the new skills. My son wants to play soccer but this morning has really cemented in his mind a love of the game.

> How the coaches spoke to the children about inclusion and kindness brought tears to my eyes.

> Your strength-based focus and emphasis on teamwork, supporting each other and fun, is how all football coaches should be.
