

Consent Form

Dear Parents and Guardians

This consent form is to seek permission for your child to participate in the Rainbow Run on Friday 3 November 2023.

A rainbow run is when the children complete a simple obstacle course on the school oval whilst teachers and volunteers cover their clothes with colourful powder and water.

All measures have been taken to ensure that this event is safe for all students. The colour powder is made from 98% corn starch and 2% food colouring, making it non-toxic, biodegradable and gluten-free. Ingredient listings and toxicology risk assessments are available upon request.

Students with lung conditions such as asthma are advised to be careful in their decision to participate. If a student has respiratory conditions they are worried about, there is the option to wear a non-white shirt and we can have little detour tracks so they can avoid having colour thrown on them.

The staff and volunteers will do their best to aim the powder towards the torso. However, wind may cause the powder to protrude onto your child’s face or hair. Sunglasses will be provided for students on the day.

The colour powder will likely wash out of your child’s clothing. Nevertheless, we recommend that your child wears a plain white shirt that you don’t mind being coloured.

Get ready for the brightest day at school! Thank you again for your support and happy fundraising.

Jacqui Thake & Cassandra O’Sullivan

P&C Rainbow Run Co-ordinators
