

HAWKER HEADLINES

30 JULY
2025

FROM DR ROBERTS

Welcome to Term 3 and a special welcome to our two new staff members who are well known to many of you.

For the remainder of the year, Mrs April Keith-Magee will be teaching the year 4/5 children in TA 7/8 and Mrs Kerry Watson will be teaching the science across the school.

We are very fortunate to have both teachers who are experienced and will contribute to our exceptional school.

We also welcome Tara Riddell, a student Social Worker on placement every day except Wednesdays, until the end of the year. Tara brings another valuable set of knowledge and skills to the school.

Our three student Counsellors will also continue until the end of the school year. Finally, we welcome our new Chaplain, Pamela Ligan, who will be working on Thursdays and Fridays.

This term is a very exciting term as our SMARTS term with SMARTS Day, athletics, spelling bee, book week and many more SMARTS activities planned to cater for our students' needs.

We look forward to a wonderful term and warmer weather!

SCHOOL PROCESSES

This term we will start planning for next year with the Department of Education requesting anticipated enrolment numbers by 8 August.

If you know you are leaving the school for 2026 or you know anyone coming, please contact the school 9422 2000.

The above does not apply to the current year 6 students or Kindergarten students already enrolled for 2026.

DID YOU KNOW?

- Staff are willing to complete reports required for outside agencies such as psychologists, paediatricians and the like, but need two weeks to complete the very often complex and time consuming reports requested.
- Outside agencies cannot work with students in school without a parent request initially, the classroom teacher permission, the school's permission and the completion of forms.
- Parents are **not** allowed to access student toilets at any time of day. If you need to use the restroom, there is a universal toilet on the outside of Admin.
