

# HAWKER HEADLINES

27 AUGUST  
2025

## FROM DR ROBERTS

Despite the lightening, thunder, wind and rain, our SMARTS Day last Tuesday 19 August was a brilliant success thanks to everyone involved. The activities were varied and engaging; the smooth transitions were due to competent administration; the students, parents, volunteers and staff were flexible and accommodating; the students were absorbed in learning; and the food was plentiful and delicious.

As you know, all this is the result of meticulous organisation so a huge thank you to Mrs Everall and her generous and professional team who worked together to make the day happen. Students at this exceptional school are very lucky to have the professional staff and parents working for and with them. Thank you everyone for another amazing SMARTS Day for 2025.

Last week was book week with activities planned every day culminating in the Book Week parade enjoyed by all present. The costumes were very creative so thank you to parents for their involvement in supporting their children's participation in the event.

## SCHOOL PROCESSES

This term we will start planning for next year with the Department of Education requesting anticipated enrolment numbers.
