

HAWKER HEADLINES

24 SEPTEMBER
2025

FROM DR ROBERTS

Congratulations to our interschool competitors who represented the school yesterday at Dalmain PS. A huge thank you to Mrs Dobson, Mrs Barrett and Miss Wilson for training and accompanying the students and for Mrs Dobson's organisation. I'm certain, the parents who attended were very proud of our students.

Our thoughts are with three staff members, Mrs Beard, Mr Etheridge and Ms Stokes, who are either in hospital or recovering from surgery. We hope to see them back at school very soon. We welcome back Mrs Kelly who has recently been on sick leave.

At the end of this year, we will have one parent School Board position available. Please consider nominating for this rewarding position. For information on the role, please ask one of our current Board members. We would like to have nominations by the end of week 4, Friday 7 November 3:00pm. Should there be more than one nomination, we will ask parents to vote. Nomination forms can be found [here](#). We thank Chris Jones for his contributions to our Board during the last three years. Chris will be vacating the position due to his child completing primary school at the end of the year.

We look forward to our Music Assembly tomorrow, organised by our talented Mrs Subotic, followed by a local Secondary School performing with their special student musicians.

As this is the last Hawker Headlines for the term, I wish you all a safe and relaxing two-week break before a very busy term 4 starting for students on **Tuesday 14 October**.

SCHOOL PROCESSES

1. This term we will start planning for next year with the Department of Education requesting anticipated enrolment numbers. If you know you are leaving the school for 2026 or you know anyone coming, please contact the school 9422 2000. The above does not apply to the current year 6 students or Kindergarten students already enrolled for 2026.
2. Mobile Phones brought to school must be handed in to the front office and collected at the end of the day. If anyone has a mobile phone in a bag, the phone will be confiscated and parents will be expected to collect the phone from the Principal. After discussion with the parent, the phone may be banned from coming to school.
3. Teachers are now marking the roll using Compass and Admin are using Chronicle to communicate with some parents. The use of Compass will slowly be extended as we become more confident with use. In time, Parents too will be invited to download the Compass App for further use. All public schools across the state will eventually be using Compass.
4. Students with Educational Needs (SEN)
 - For parents who have children with needs, we have a process at the school to cater for them within the limits of our resources. Briefly, teachers develop an individual plan in consultation with parents. Should there be further concerns, the teacher requests support from the SEN team that meets weekly and made up of the SEN leader, Mrs Overall, the School Psychologist, the Chaplain, the Principal, the Associate Principal, and this year, the student Counsellors and student Social Worker. From these meetings, a plan for further support is discussed for each child and may lead to a case conference with the parents for further planning. For further information, please ask your classroom teacher or one of the SEN team members.

DID YOU KNOW?

- All students start each term with two points towards their Good Standing. This means, students are given ONE warning only before losing their Good Standing. Good Standing is lost for repeated inappropriate behaviour, starting a fight, filming a fight or making physical contact with the intention to harm. Should a student lose their good standing, parents/carers will be notified either by phone or email. At HPPS, students rarely lose their Good Standing.
