

HAWKER HEADLINES

26 AUGUST 2026

FROM DR ROBERTS

Congratulations and thank you to all involved in Bookweek. Each event, including the puppet show, book swap, diorama competition, lego competition, SMARTS Day, and the book parade, was successful and well supported. Another fabulous week of exciting events enjoyed by all.

To quote someone who attended SMARTS day 'the day ran like a dream....the kids were so well behaved and cheery students don't know how lucky they are to have dedicated, knowledgeable and talented teachers this school is amazing and I've never seen anything like this anywhere else'. A huge thank you to everyone for making this school outstanding, as also confirmed by external reviewers last year.

At our last School Board meeting, my report centred on the National School Opinion Survey analysis. It was suggested I publish this analysis in the Hawker Headlines.

The National School Opinion Survey provides valuable information about how parents, students and staff experience the school. The 2026 survey included 75 parent responses from 156 potential respondents 48%, 44 responses from Year 5 and Year 6 students 90%, and 26 staff responses from 32 staff members 81%. The views represent a broad cross-section of the school community.

Overall Findings

The overall picture is very positive. Across all three surveys, respondents identified teacher quality, high expectations, care for students and a positive learning environment as major strengths. Parents and staff expressed very high confidence in the school, while students also recognised teachers expect them to do their best, motivate them to learn and care about them.

R U OK? Day

Friday 4 September

Hawker Park Primary School will be supporting R U OK? Day.

This year we will be supporting R U OK day a week early.

R U OK's mission is to inspire and connect with people around them and support anyone struggling with life.

Children are encouraged to wear **one** yellow item to school.

Throughout the day, the children will be completing a range of activities in class to support this national day, when we remember that every day is the day to ask, "Are you OK?"

Many thanks
Mrs Sherriff

A NOTE FROM THE P&C

1. WACSSO Conference

Last weekend, three of our P&C members attended the annual conference organised by WACSSO, the Western Australian Council of State School Organisations. It was a fantastic event, with lots of opportunity to learn, share information with other P&Cs, and to get ideas for our school.

2. Bunnings Sausage Sizzle, 30 August

The forecast for this Sunday is looking good and we have had plenty of volunteers signing up to help with preparations and to work on the day, as well as donations towards the goods needed for the day. It's been amazing seeing the school community come together and help with this fundraiser. I can't wait to be there on the day and see it come to life.

FATHER'S + CARER'S DAY

3. Father's day event, 4 September

We are also locked in for the Father's and Carer's day event on the morning of 4 September. A coffee van has been booked, the donut order has been placed and I hope we have a huge turnout of dads, grandfathers, uncles, stepdads and all the other special men in our families. Bring your wallets for a coffee and a treat!

This event coincides with RUOK day, and it is a great opportunity for the men to get together and chat to one another.

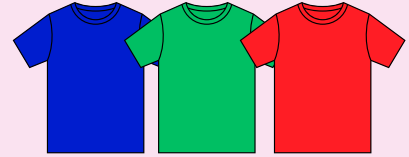

4. Coming up:

- Bake stall during Faction Carnival, 10 September
- P&C General Meeting, 15 September at 6pm at the Hub

As always, we want to hear from you. If you have suggestions of what to use P&C funds for, of what events you'd like to see, or anything else, please get in contact with the P&C at hawkerparkpandc@outlook.com.

STUDENT ASSISTANT PAYMENTS

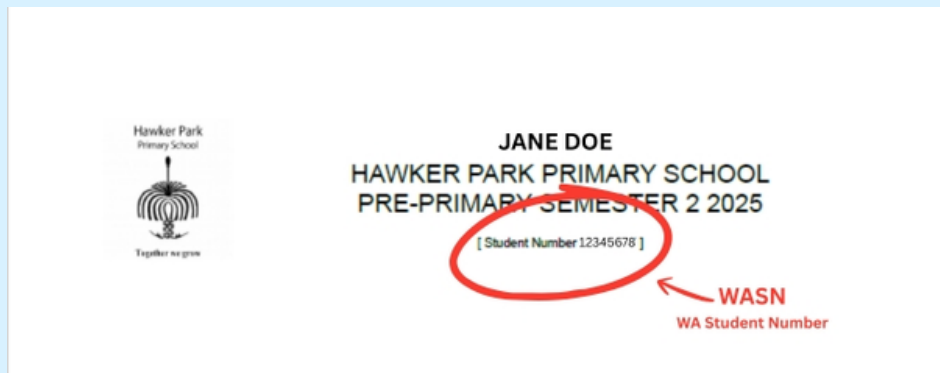

Regarding the budget announcement about the WA Student Assistance Payment for school-aged children, \$150 for primary (including kindergarten) and \$250 for secondary students, claims are now open and close 25 September 2026.

Parents need their child's WA Student Numbers (WASN) to make this claim.

At the end of Term 2, all parents were sent an email containing the WASN for each of your children.

If you cannot locate the email, the WASN number will be on your child's end of semester 1 report.

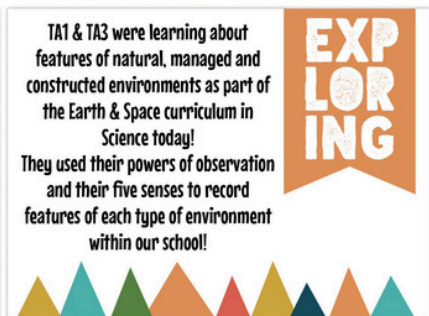

Below is an example of where to locate your child's WASN number. It is on the front page of the Semester report.

The ServiceWA app is the fastest, most secure and most convenient way to claim the WA Student Assistance Payment.

For more information or for help with the app visit the [WA.gov website](https://www.wa.gov) or contact ServiceWA Customer Care on 13 33 92 or email support@digital.wa.gov.au
